QUALITY CHECK

## WHAT WE DO

- **Simplify Automation** and make it accessible to all.
- Make Intralogistics Material & Data flow more **efficient, optimized and visible.**
- Provide **practical, modular & integrated mobile robotics solutions.**

## MISSION

To become the **premier solutions provider** in each of our product categories and services by offering a breadth of **quality products at affordable prices, minimal delivery time** and **honest after sales support** to our customers, big and small.

## VISION

To be an **INR 50 Billion** group providing a **360 degree solution** in the industrial equipment industry.

## VALUES

**Honesty**  
**Team Work**  
**Customer First**  
**Transparency**  
**Vendors as Partners**  
**Growth Focused**

# NIDO GALAXY

Our products are named after the brightest stars in the universe

# **NIDO** MACHINERIES

## Comprehensive Industrial Equipment & Solutions

### **rigel** Material Handling Systems

Pallet Trucks  
Table Trucks  
Stackers  
Forklifts  
Reach Trucks  
Docking Equipment  
Goods Lifts  
Drum Handlers  
Overhead Lifters

### **eris** End of Line Packing Machines

Strapping Machines  
Carton Erectors & Sealers  
Stretch Wrapping Machines  
Packing Lines

### **vega** Industrial Cleaning Machines

Single Disc Scrubbers  
Vacuum Cleaners  
Scrubber Dryers  
Sweepers

### **altair** Aerial Work Platforms

Aerial Work Platforms  
Order Pickers  
Scissor Lifts

# NIDO MACHINERIES

## Comprehensive Industrial Equipment & Solutions

- 13 year old vertical
- Stocking and after sales support from Bhiwandi
- CE Certified equipment imported from our international partners
- Outsourced manufacturing of customized machines
- PAN India Service & Support Network
- OPEX / Equipment Rental Option

# **NIDO** AUTOMATION

## Intralogistics Material Flow Automation Solutions

- Manufacturer and system integrator of intralogistics & material flow automation solutions.
- 3 year old vertical.
- Manufacturing, R& D & Experience center in Nashik.
- In-house Mechanical/Electrical Design & Production.
- Standardized product designs
- Turnkey Automation Solutions

# NIDObots

## Practical, Modular & Integrated Mobile Robots

Pallet Handler

Pallet Stacker

100 / 500 / 1000kg Material  
Handler With Attachments

NIDObots assists in unmanning the material handling, movement and transfer of goods with the help of our fully indigenously designed SIRIUS and IZAR series bots which are powered by our NIDONav navigation and NIDOFleet fleet management software.

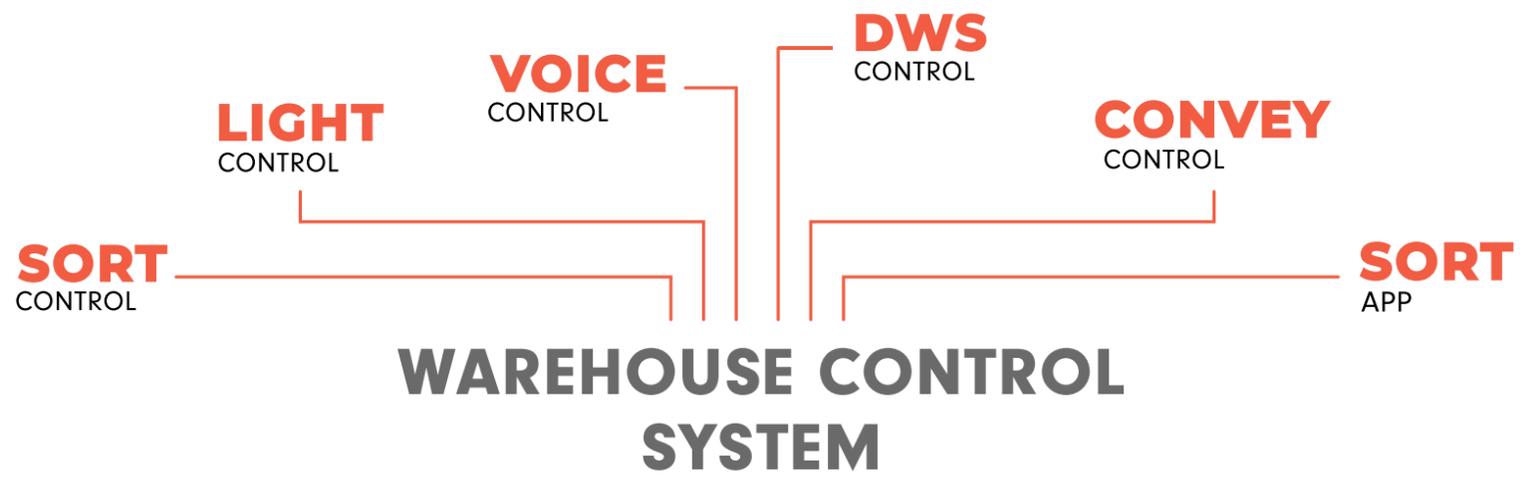

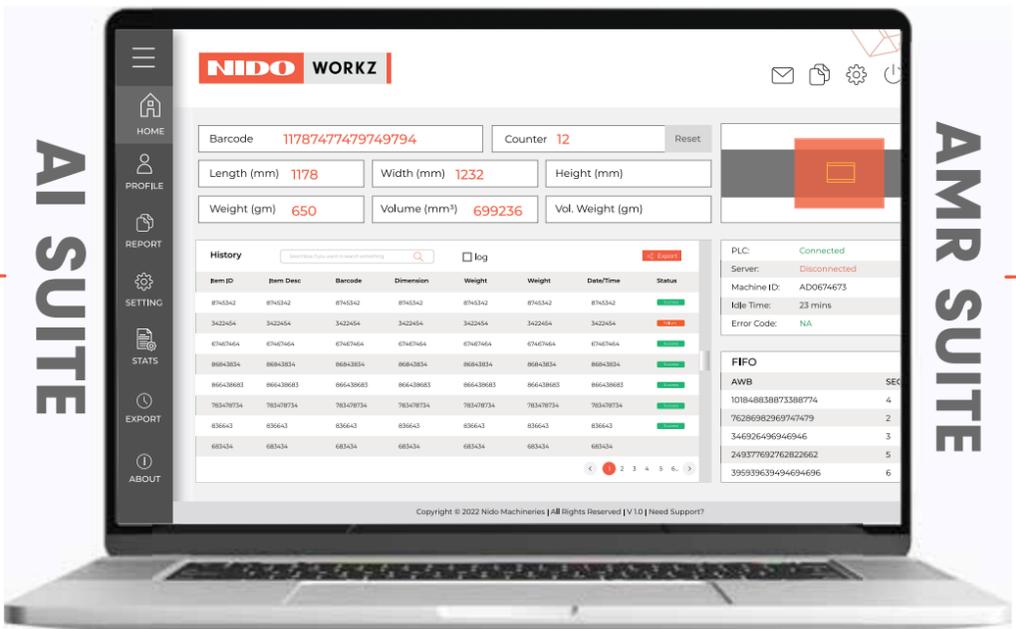

### Custom Designed Software Solutions

NidoWorkz is our proprietary modular software suite that collects the data from the machine and allows you to format, store, validate, utilize and transfer it as needed.

With a variety of communication modules and integration option, it can smoothly sync with the existing ERP application creating an ecosystem where the hardware and software can communicate to deliver faster and accurate results.

**NIDO AI**

**NIDO NAV**

**NIDO FLEET**

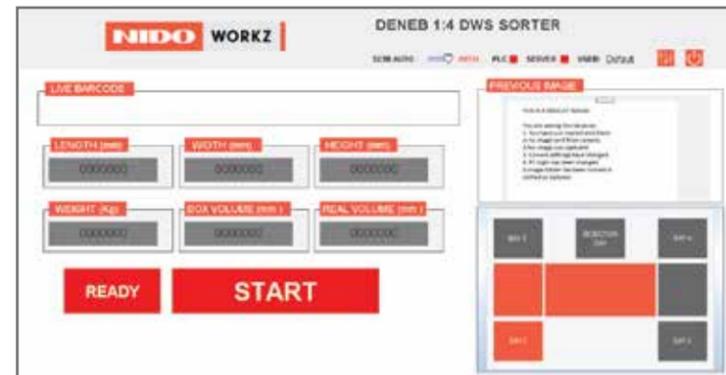

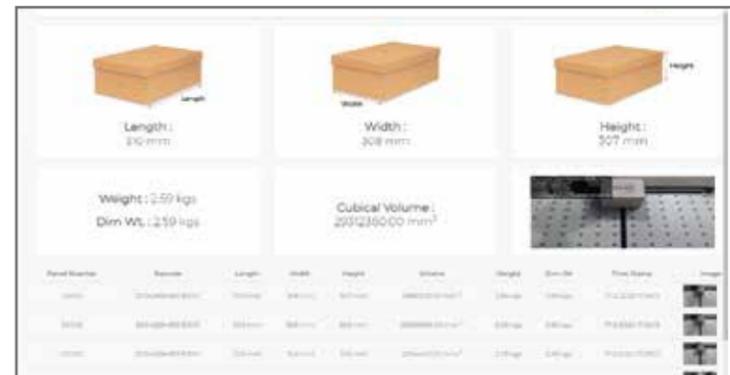

**ASSET CONTROL**

**DASHBOARD**

**TICKET CONTROL**

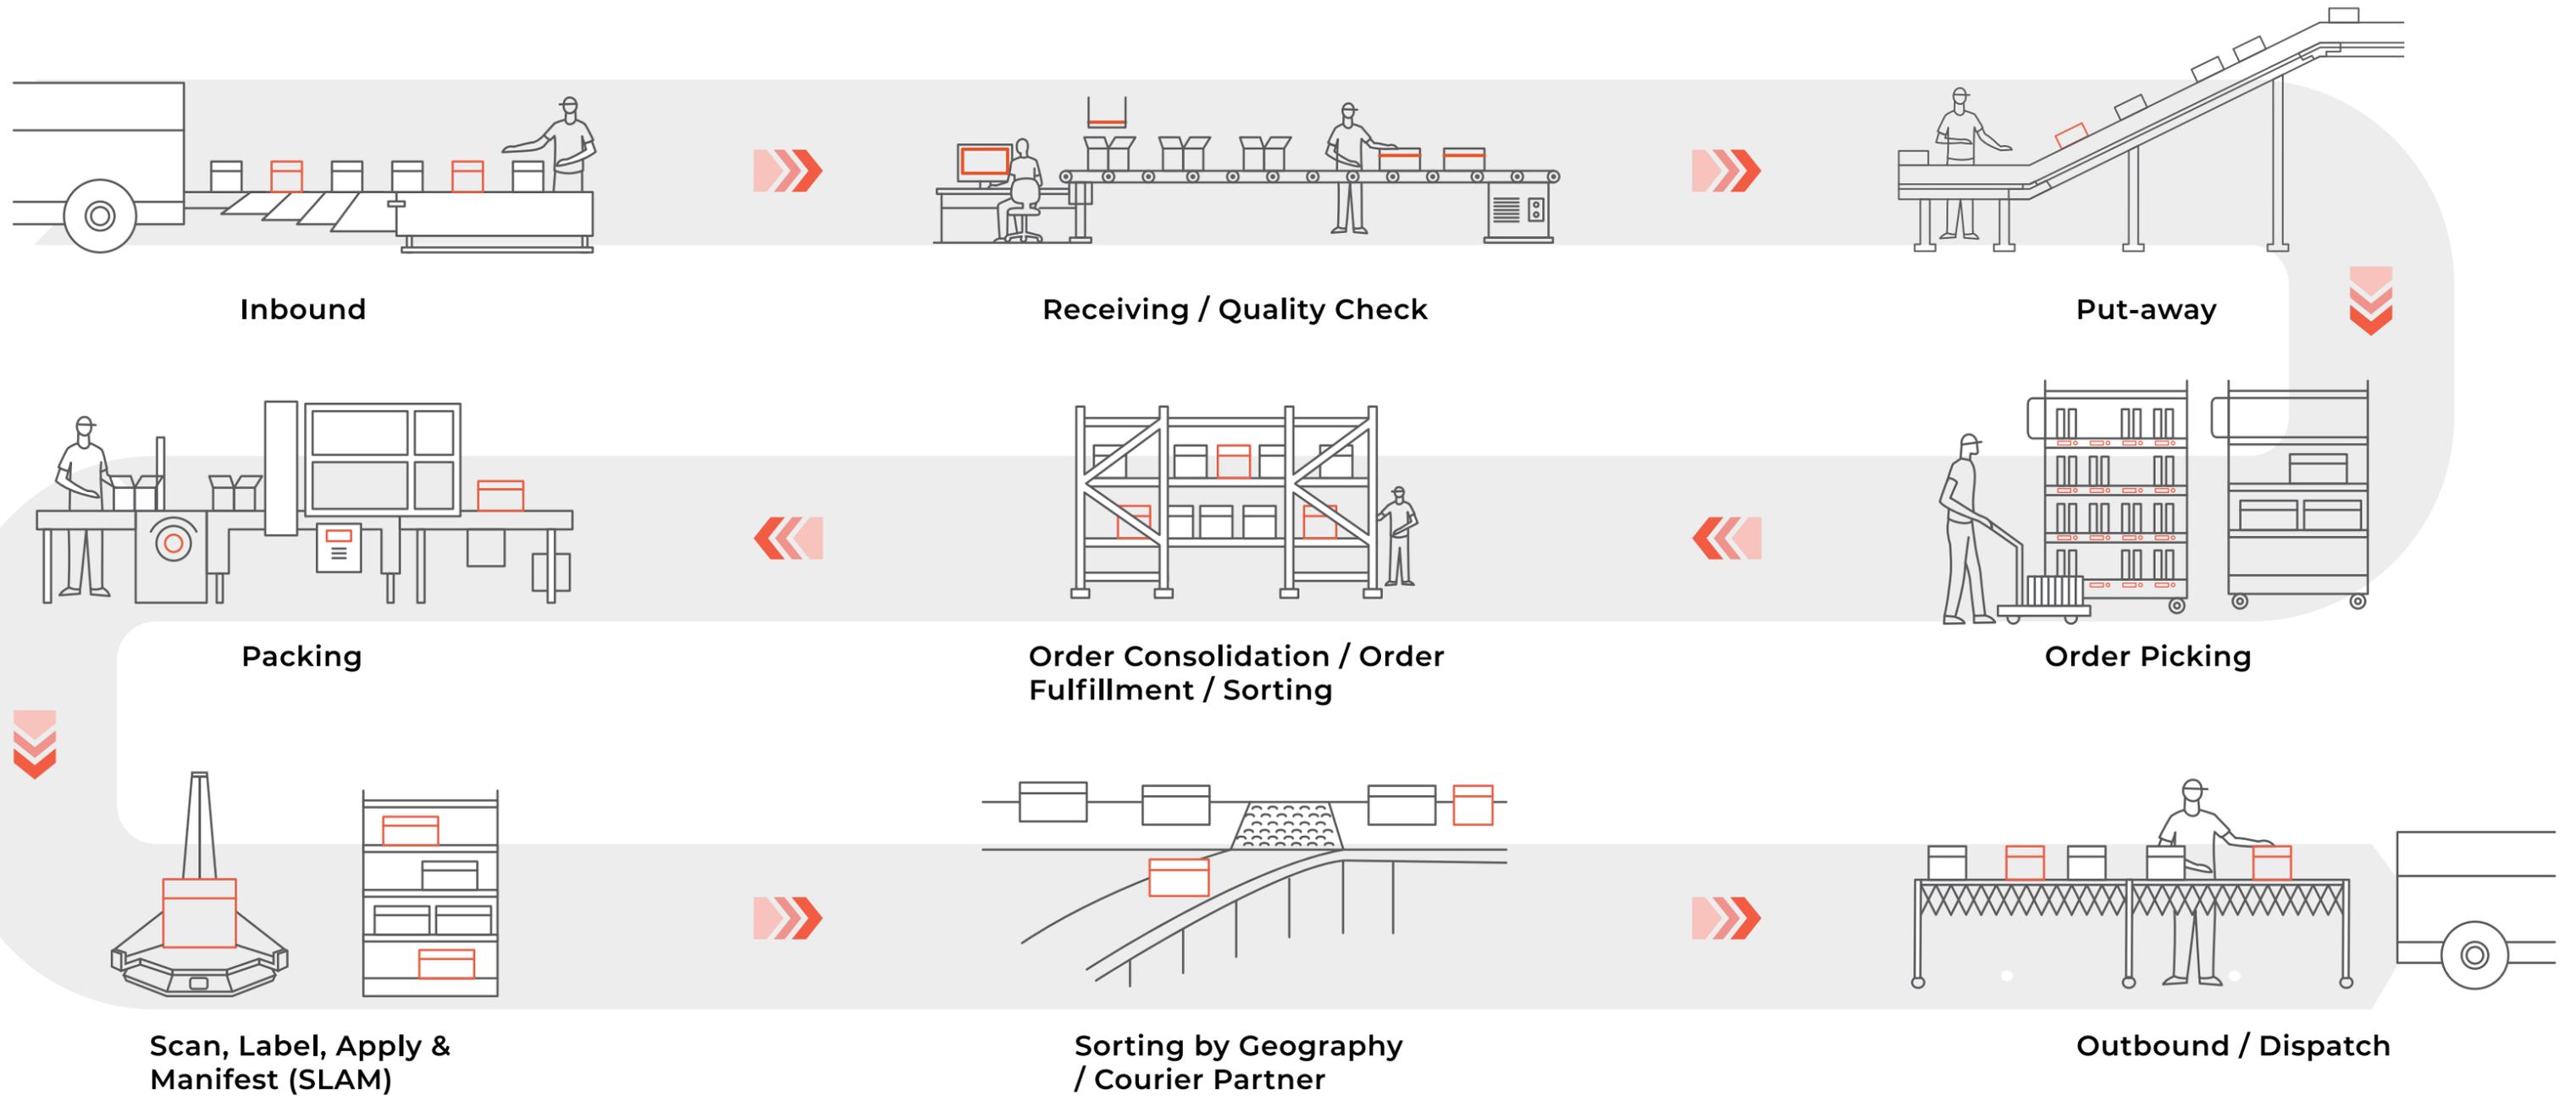

## Custom Designed Software Solutions

## SOFTWARE FEATURES

- Advanced Search & Filters
- Interactive tables, graphs & reports
- Flexible Configuration
- Login & User Management
- Real time notifications & alarm
- Seamless Integration with ERP
- Android Based App Control

Heavy Industries

Warehousing

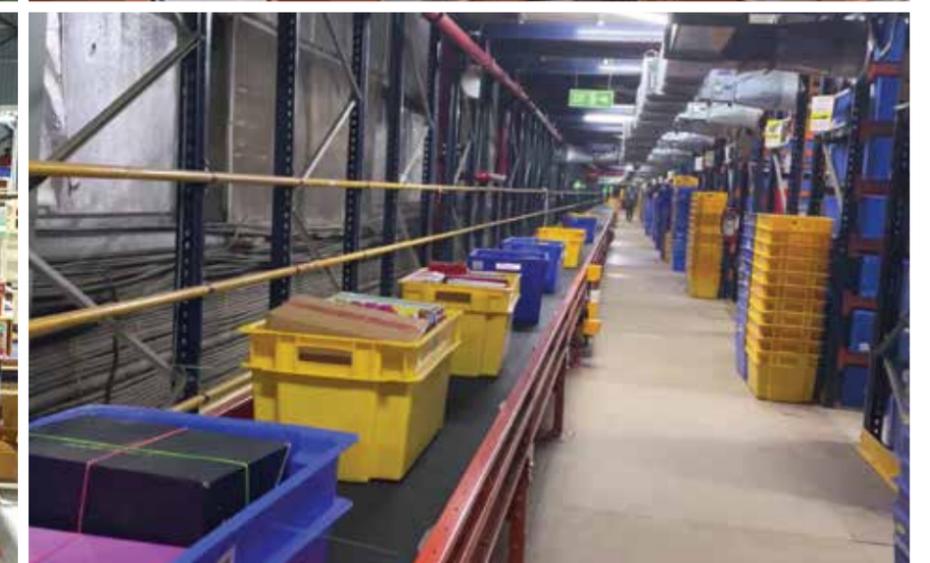

Food & Beverages

Electricals

Retail

FMCG

Automotive & Ancillaries

## WHY NIDO?

**Speed. Innovation. Flexibility. People.**

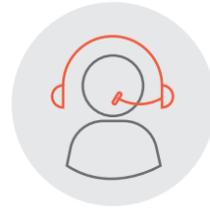

Prompt response to requests

Designing pathbreaking client focused solutions

Readiness to quickly adapt to situations to make things happen

Client first attitude and the willingness to go the extra mile to ensure customer satisfaction

## OFFERINGS

- Comprehensive Products & Service
- Customized Solutions
- High Quality Equipment
- Customer Centric Approach
- Ready Spares Availability
- Strong International Partnerships
- Prompt After Sales, Service & Support
- Streamlined Processes
- Large Stocking Capacity
- Technical Expertise
- Annual Maintenance Contract
- Equipment Rental/ Automation as a Service
- Training & Consultancy
- Installation & commissioning
- Electrical Design
- Control Cabinet Design & Build
- HMI / SCADA Programming
- PLC Programming
